General Comment

I am a year old retiree, who uses options in my Roth and IRA accounts to generate income and protect my positions with covered calls. Please do not take this ability to stream income and protect my investments away from me. I need it and depend on it. You have enough control of my financial life as it is, do not remove my ability to use options. Treat me as the adult I am. Unlike government,I do not run a deficit and am not too big to fail.
